*How To Make Sure Your
Innovation Strategy Doesn't
Suck*

Links

Examples of labs we have run most recently:

- Grove 3547: <https://www.roller.sg/the-grove-chicago>
- The Early Years Lab: <https://www.oxfordearlyyears.org/>

Then the Sustainable Food Lab is the first Lab that I was involved in, it is still running:
<https://sustainablefoodlab.org/>

The two components of our practice are Preconditions and Lab Cycles.

- <https://www.roller.sg/services/preconditions-for-action>
- <https://www.roller.sg/services/lab-cycles>

There's a social labs blog for further reading: <http://www.social-labs.org/>

And there's also papers on our website which might be of interest: <https://www.roller.sg/publications>
